INTRODUCING OUR NEW MANUFACTURING VENTURE : NEW BABJI INDUSTRIES

By Shabbir Tools Mart – Trusted for Over 50 Years

With over five decades of experience as a leading distributor of TVS High Tensile Fasteners, **SHABBIR TOOLS MART** has earned a reputation for quality, reliability, and timely delivery. Trusted by major clients including L&T Rubber, Bonfiglioli transmission, Flender Drives, AMNS, Modine Thermal system etc and supported by a strong network of 100+ sub-dealers across South India, we've been a cornerstone in industries ranging from automotive and wind energy to heavy engineering and infrastructure.

Today, we are proud to announce a major milestone in our journey – the launch of our own **manufacturing unit in Rajkot, Gujarat.**

Why This Move Matters :

Backward Integration to ensure tighter control over quality and delivery timelines.

Enhanced Customization capabilities to meet the evolving needs of Tier 1 and Tier 2 industries.

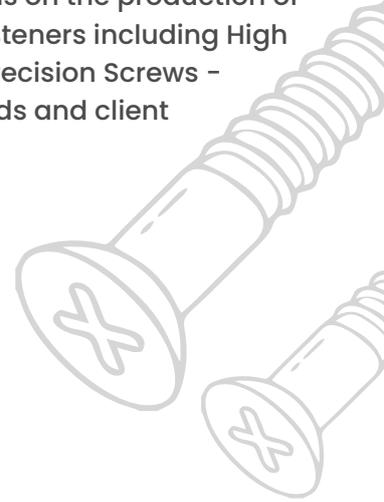

Cost Competitiveness with in-house production and precision-driven processes.

Continued Commitment to the core values that build our brand – punctuality, integrity, and excellence.

NEW BABJI
INDUSTRIES

Our Rajkot facility will focus on the production of high-quality industrial fasteners including High tensile & Stainless Steel Precision Screws – tailored to global standards and client specifications.

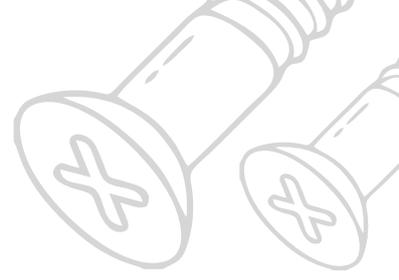

This new chapter is not just about expanding capacity –
**“IT'S ABOUT
REINFORCING OUR
PROMISE:”**

*To deliver unmatched strength,
precision, and service in every
product we create*

Our Products

Allen Head Screw
High Tensile
